Marching Toward \$2 Million In Scholarship Support

The VSGA's VIP Card program involves much more than free green fees. By purchasing a VSGA VIP card, you help fund the VSGA college scholarship program. Since 1985, this initiative has impacted the lives of more than 700 college-bound students from all around the commonwealth. The VSGA has awarded \$1.6 million in scholarship aid to students attending colleges and universities throughout Virginia including 97 current undergraduates. In addition to assisting the academic pursuits of numerous future career professionals, participation in the VIP Card Program also benefits some of the state's top agronomy students conducting turfgrass research at Virginia Tech – a great example of how the VSGA is working to improve amateur golf at the "grass roots" level.
