Format

One-Day Events, Qualifiers, and Championship – Individual stroke play with full Course Handicap, flighted by age.

Two-person (Four-Ball) Qualifiers and Championship – Men will receive 90% of Course Handicap and women will receive 95% of Course Handicap. Events will be flighted by total handicap of both players. Should the difference in the Course Handicap of the two players on a side be more than eight strokes, an additional 10% reduction will be applied to the Course Handicap of each member of the side.

Captain's Choice Events – Four-person, captain's choice competition with gross and net prizes. Handicaps will be adjusted for the course and a team handicap will be calculated (20% low handicap + 15% 2nd low handicap + 10% 3rd low handicap + 5% high handicap). Events will be flighted by team handicap.

Cell Phone Policy

Use of cell phones, pagers, beepers and the like will not be allowed. (Violation of this prohibition will result in a warning - continued violation shall result in disqualification).

Course Condition

The VSGA has no control over the condition of a golf course. The VSGA requests from each club that it provide a course in good condition. However, if the event is played, there will be no refund granted, other than refunds made according to the refund policy.

Dress Code

Participants must adhere to host club dress code. In addition, jeans, short-shorts, cut-offs, gym-shorts, tank tops, t-shirts or swim wear are not permitted.

Prizes

Prizes consist of gift certificates redeemable at host club pro shop only. Gift certificates have an expiration date printed on them; please abide by the printed expiration date.

Ties

All ties will be settled using the USGA Scorecard Playoff Method (holes 10-18, holes 13-18, holes 16-18, hole 18).

Close of Competition

Competition is deemed closed when prizes are awarded, or in the absence of a prize ceremony, when all scores have been approved by the Committee

Distance-Measuring Devices

In all VSGA One-Day events, a player may obtain distance information by using a device that measures distance only. If, during a stipulated round, a player uses a distance-measuring device that is designed to gauge or measure other conditions that might affect his play (e.g., gradient, windspeed, temperature, etc.), the player is in breach of Rule 14-3, for which the penalty is disqualification, regardless of whether any such additional functions are actually used.

Event Information

Starting times and any additional information pertaining to the event will be e-mailed to all persons listed on the entry with a valid e-mail address approximately one week prior to the event. Please arrive and register on site, ready to play, at least 30 minutes prior to the scheduled shotgun starting time.

Course Handicap Modification

The VSGA One-Day Committee reserves the right to modify a player's Course Handicap for the duration of a competition.

Posting Scores

Players are responsible for posting their own scores at the close of competition. The VSGA has the right to modify any course handicap for future One-Day Events if a player does not post his/her scores.
