

Virginia State Golf Association 2012 Course Rating Services and Fees

Course Rating Service

A USGA Course Rating™ and Slope Rating® is issued by permission of the United States Golf Association®, in accordance with the USGA Course Rating System™. Newly constructed courses change rapidly and must be re-rated within five years. An established course must be re-rated at least every 10 years, even if it has not been changed in any way. A course must no longer use its USGA Course Rating™ and Slope Rating® if its ratings are more than 10 years old and scores recorded on that course may not be posted to a player's scoring record.

Note: A new policy has been adopted by the VSGA where the new USGA Course Rating™ and Slope Rating® shall not take effect until January 1st of the year after the course rating was conducted. The club's current ratings will remain in effect until December 31st of the year the course rating was conducted.
