*Please note that in 2010, Virginia adopted a new handicap revision schedule and active season dates. The new schedule has a Handicap Index being updated on the first and 15<sup>th</sup> of each month. Acceptable scores made in Virginia throughout the year must be posted to a player's scoring record. Virginia no longer observes an inactive posting season. Scores made in a state observing an inactive season are not acceptable for handicap purposes.*

*Equitable Stroke Control (ESC) sets a maximum number of strokes that a player can post on any hole and is incumbent upon that player's Course Handicap. For handicap purposes, a player is required to adjust hole scores when they are higher than the player's maximum ESC number.*
