

VSGA Handicap Program 2012 GHIN Software Training Seminars

SEMINAR SCHEDULE

- Thursday, March 22, 2012 – Cedar Point Country Club, Suffolk (9:00 AM to 12:00 PM)
- Thursday, March 29, 2012 – International Country Club, Fairfax (9:00 AM to 12:00 PM)
- Thursday, April 3, 2012 – Independence Golf Club, Midlothian (9:00 AM to 12:00 PM)
- Wednesday, April 11, 2012 – Chatmoss Country Club, Martinsville (9:00 AM to 12:00 PM)

PROGRAM FEATURES

The VSGA will offer training seminars for member clubs interested in learning more about the GHIN Handicap Program (GHP) and Tournament Pairing Program (TPP). The three-hour sessions will focus on key aspects of the handicap and tournament programs and will also allow for Q&A from the attendees. In addition, the web services offered by GHIN will be discussed. If your club will be using TPP for the coming tournament season, this will be a great opportunity to have your questions answered!

PROGRAM COST

There is no cost for VSGA member clubs to attend the GHIN Software Training Seminars. The seminars are designed for clubs to send their staff and/or committee persons that will be using the handicap and tournament software. The VSGA does request that attendees pre-register for the seminar(s) they wish to attend by either mailing or faxing this registration form to the VSGA (see below for contact information). We look forward to seeing you there!
