Volunteer Opportunities

Course rating teams are made up of trained volunteers throughout the Commonwealth. When rating a golf course, the team evaluates each hole in accordance with the USGA Course Rating System. Values are obtained for a series of obstacles and effective playing length factors. After rating, members of the team will play the course to gain greater insight and clarify any questions which may arise.

Volunteer Rules Officials help the VSGA staff administer championships and qualifiers in an efficient and professional manner. Rules officials help with starting, scoring, monitoring pace of play and assisting players with on-course rules questions.

Volunteers, including parents, provide needed assistance at VSGA Junior Golf Circuit events (9, 18, and 36 holes) throughout Virginia. Such assistance includes, but is not limited to, registration, starting, scoring and shuttling juniors on the course, when warranted.

VOLUNTEER APPLICATION

VSGA members who wish to volunteer must be at least 18 years of age.
